

Extended Stay Intake Kit

Looking for **customized kits?**
It's in the BAG

- Paper/Envelope**
pre-stamped, meets ACLU requirements
- Safety-Flex Writing Pen**
less likely to be used as a weapon
- Gel Toothpaste**
fluoride to protect teeth; clear gel formula won't harden and is easy to check for contraband
- Thumb-Handled Toothbrush**
minimizes the ability to forge a weapon
- Safety Razor**
thin blade minimizes ability to create a weapon
- Flexible Handle-Free Comb**
flexible design is nearly indestructible and safer than hard or handled products
- Clear Anti-Bacterial Soap**
small bar to avoid hidden contraband; antibacterial to help with infection control

Enclosed in Zip or Heat-sealed Bags

We've Provided Admissions Kits for Correctional Facilities Across the U.S. Since 1997
